

## *Wisdom Dwells Within You*

*I am White Eagle.*

Wisdom comes with time and time is always the Present. There is no differentiation because the Wisdom within you has always been there, deep within you.

And the Present is always when you seek to acknowledge it. When you finally understand—it is there within you—has been there all along.

No one can lead you to it because the Path is your very own. The Path is what brought you here. The Path is who you are deep within. The Path is all that you were meant to be and all that you are. The Path you are on is the Present and the Present is within you and therein lies the Wisdom of all the ages.

You cannot begin to understand the depth of this message. Ponder what is within you. Acknowledge the Wisdom that lies within. Love yourself. Love the heart within you. Give Grace a chance. Acknowledge who you are. All things will become clear. Ponder that which is deep within you. Let it resonate within the human cavity of your heart and soul.

Let there be no mistake – Wisdom dwells within you. All that you need to know is within you. All that you ever wished to know is within you. More than you will ever know is within you.

Take heart, dear One. Lessons are not so much learned as they are known. It is a knowing and a loving that springs within you, effervescent, ever true, ever Present. See, I have told you.

We are here for you, every step of the way. We love you beyond your understanding and will not move away from your side. We, too, are within you. And so it is. All love, all glory, all peace, all happiness dwells within you.

Enter that space. Be at peace. We are with you.

So be it. Bless you, my child, bless you.
