

## *Reveal Thyself!*

Now the day is come when all will be made right. Follow me with your heart and mind and listen as I speak.

Your mind will conjure all sorts of terrors to make your heart afraid but you must not lose heart. For in the end, your heart is stronger than your mind. The will to compassion, to love, to believe can overcome any obstacle your mind might present.

We are definitely in the New Age. Where mind and heart can synchronize into an overwhelmingly powerful spirit of peace and love. You have no comprehension how this can be, and yet, it is upon you, now!

Now is the time. Now is the day. Now is the hour — for all to be fulfilled, all your longings to be satisfied, all your cravings to be turned away and transformed into something completely new.

Come! Stand by me. Follow me. (My footsteps are not as big as yours. I leave no imprint!)

You are wholly yourself — a Being made of fire and light, a Being whose imagination stretches beyond the farthest stars, a Being whose heart sings with joy. Even when your legs cannot keep up, we are upholding you, raising you ever higher into the Light — the Light that you are and always have been.

Sing a song of thanksgiving. Be grateful for what you have seen. Good tidings of great love, I bring to you. All the Earth sings with joy. You are not imagining it.

You may believe in disaster but that is not what is happening. All good things are being transformed. All is changed. All is dramatically different now. Open your hearts. Seize the moment! Now is the time! Rise up! *Realize who you are.* The Light in you can never dim. It throws out a Beacon of Light for all to see and know, for all to understand and live with faith that all is well, because all is well, now and forever.

Seek not the pettiness of small things. Reach out to each and every one. No one knows how great they are until the veil is torn away. *Reveal thyself!* For now is the time! Seek to know that which is within you, for the truth lies therein. Meditate on all that you are and all that you ever have been and you shall know the truth. You shall see all, know all, be all, for it is within you— *All is within you.*

Rise up! Think well of yourself. Mend the broken parts. Observe the wholeness behind the screen and rejoice in the rapture that is yours to claim now and forever.

Be at peace, dear ones. For I am White Eagle — here to lift you up. And Raphael beside me.

Bless you, my child, bless you.  
So be it. Amen. Aum.
