

## *Now is the Time*

Now is the time to make your heart known, to send out Love to all the world. Now is the time to stand your ground, to reach out to one another with compassion in your heart of hearts. Now is the time to understand who you are and how powerful you really are.

The wings of time have no solid form. It whispers in the night but the night, too, is without form.

Salvation comes in the morning with the dawn of realization that all is well in the world that you inhabit. Your heart may tell you otherwise for it is truly a beacon of light. But your mind is more powerful yet in transforming that which you wish to see.

So much clutter surrounds your brain, it is like a whirlwind of debris. Time now to clear it out, to allow the pure Light that you are to cleanse the thoughts of fear and anxiety. Time to see through the darkness to understand the New Dawn, to realize in your heart of hearts that this is a time of adventure! Of possibilities! Of the New Earth which stands ready for YOU to create.

Think not in distractions. Center the core of your Being in the eternal bliss of Love and Light and there you shall find the Heart of Compassion, the Light of Love, the Living Beam of Light that shines on all alike.

There is no tragedy that cannot be undone. There is no whisper of Fate that cannot be turned—in the silence of the night, in the light of the dawn, in the whisper of eternity.

It is Light that brings forth the Dawn, the Light in which you must bathe and clothe yourself, for the Heavens are open to you. All Life is before you, all Light beams your way ahead. Do not fail to notice your power, the strength you have within you, the immense hope of the human heart, the fortitude of the human soul, the power of compassion, the link that makes us all strong, that brings us together in memory that we are all one, that in our oneness, we are all powerful.

We have the strength of mind and the hope of heart to move forward together into the Light that shines within us all and guides us into the New Dawn.

There is no need to fear. All is well. All is well. Have faith, dear ones, have faith – in YOURSELVES! Bring in the New Dawn. You are the hope of the world. Rest in that thought. Combine in new ways and reach out to touch one another with the gleam of Eternal Bliss.

Check in with your heart of hearts and see the truth of what we have said, for all will be revealed and all is revealed in the Love we have for Humankind. All is well and all will be well and all is well. Have faith! Believe!

So be it.

*I am Metatron.*

So be it. Amen. Aum.  
Bless you, my child. Bless you.
