

Enter into the Cave of Being

I am White Eagle.

There is a Cave of Being that spreads like magic amid a world of pearls strung upon the highest string. There the sound of the ever-flowing stream of life pushes forward into your heart of hearts.

Walk forthrightly into this cave that you may see all that you are and all that you have been. The immediacy of the experience will force you to arrive at that most hallowed state of Being. There you will dwell in the magic that awaits you each time you open your heart to the compassion that dwells within.

No one understands this until they are quite still, quite open to the majesty of True Being.

Yet I assure you this Cave exists. You need only open your heart to it and Enter In. All power resides there, all melody of life resounds within this Cave of Highest Being.

Enter in. It is for you. It is for one and all. For all who seek the majesty of life, the well-being of all things, the beauty of the Earth, the glory of the stars, the majesty within each one.

Walk lightly amid the noise of life and enter into the Cave of Being for there the profound truth of who you are resonates in every cell of your Being.

For we are one with another. We are all One and in that Cave of Being all Truth flows from the Stars and all rapture wells up from the Earth and there you shall see all that you are meant to be.

Speak well of this. Rise to the challenge within. Open the door to the Cave of Being, to the Light of Life, the restoration of all that is holy, all that is magic, all that is majesty within every atom of your Being.

Be strong! Enter in! There we await you. You shall know the Truth and the Truth shall, in fact, set you free. Look within. Enter the Cave of Being and do not fear to enter that holy space within you, within one and all. *For we are All One.*

Remember this. Do not fail to remember. Now is the time.

So be it. Amen. Bless you, my child, bless you.
