

My Heart Weeps With Yours

I am White Eagle.

My heart weeps with yours. But Joy comes in the morning.

Deep joy underlies all the sorrow, carries anew all the tears, sweeps them into a river of life so beautiful — more beautiful than you could ever know. You speak of rapture but there is no rapture as beautiful as this — that one's love is transformed into a myriad pieces of Pure Joy, into myriad lines of Love that spread well beyond the universe you know.

Follow the thread! See what happens! See how beautifully Love commands the Field!

Your tears of love swell into a river of joy, rejoicing in the life that is now and is forever. Think not that they are dead whom you have loved. All their love for you has been transmuted into a far finer vibration of love that surrounds you always, that lifts you up, that brings you inner joy, that reminds you of life everlasting.

Yes, the flow of tears is continual, but it swells the vibration of the planet, bringing it ever higher into vibrations of Love — Swells of Well-Being, Waves of Delight! Do you not see? How beautiful is the World of Light in which you can dance to your heart's content — for all join you in the Light — the Light Everlasting, dancing joyously, celebrating the beauty of Life beyond knowing.

Ancient footsteps precede you, showing you the way into the Light, for there is no shadow that can withstand the glory of the Light, the beauty of who you are, the cleansing of your tears, the removal of any shadow of doubt. Our hearts weep with yours but in a manner so profound, well beyond your understanding. Listen to your heart and let it speak of joy amid the tears. Let it remind you of Life, that lives forever.

Weep not! For our hearts are swelled with Love and your Joy is imminent. It is here — within you. Gently, gently see beneath the tears, for your tears have created a Well of Understanding — and deep within that Well, you will find Wisdom — the Wisdom of Love, the Wisdom of Joy, the Wisdom of Peace.

And knowing *that*, you are All Well, you are All at Peace, you are All One in wholeness, in loving care, in serene beauty. *Nothing, nothing* can obscure that Understanding, that Wisdom, that Joy, that Love, that Peace — NOTHING! Nothing stands in the way of Life Everlasting!

The joy is yours to share. It is yours to know. It is yours to believe. It is yours to understand. For the tears are tears of wisdom that shine in the light of all creation, of deeply knowing the Truth. *Nothing, nothing*, can extinguish all that you are and all that you ever have been.

YOU are the Light. You are the Light Everlasting. Your Love is undimmed. Let there be love and laughter and joy. Uplift your hearts with the rapture of knowing, of understanding the truth deep within you. For there you dwell in peace. There you dwell always, one with another — One with the All, for We Are All One and in that Oneness, there is Joy and Love and Peace and Life Everlasting.

Be at peace, dear ones. The Light is YOU. YOU Are The Light. The Light will ever shine within you and you shall dwell in harmony with One and All.

Let there be peace. May your heart be tranquil. May you know how deeply you are loved.

Let there be peace for One and All.

Bless you my child, bless you.

May peace be with you.

I am White Eagle.

So be it. Aum. Amen.
