

## *The Globe of Peace*

This Peace settles upon me like a globe—a globe of light, warm and loving, within which I can relax and become wholly myself—in Peace, in loving kindness, in stillness—the stillness that embraces all who seek genuine peace.

Peace opens me to another dimension—to that which is beyond my ken and yet somehow within my grasp. How is it that I am born into this life? What rhythm keeps my heart beating? And fathoms my will to keep on?

Yesterday, I was afraid. Today, I am no longer afraid.

I am at peace in this Globe of Light, the Sanctuary of Wisdom, this loving warmth, this incredibly peaceful space that I have entered.

And along with me, I invite the world to come unto me. Enter this space and be at Peace. The comfort it brings is unassailable.

There is no Being on this Earth who will not be comforted, who will not see the Light and enter the Globe of Peace. *There is not one who is not loved in dimensions beyond your comprehension.*

Speak of this great Globe of Peace to all you meet and let Wisdom flow from your lips and Love beam from your Heart. The Peace you enter now is all mine to give. And I give it freely.

Open yourselves to your higher calling. Enter into the Temple of Peace.

Let all wars diminish and vanish in your sight. Speak only of what is great, of what is beautiful, of what warms your heart.

Speak only of Peace. Let go of sorrow. Cling to Love—the Love which has surrounded you from the very beginning.

Here is the Grace that I give to you:

Peace. Forever Peace. Peace, forever.

*I am Michael.*
