

## *Follow the Rainbow Path*

*I am White Eagle.*

Where is your Understanding? Where do you find it? Is it within your reach?  
UNDERSTANDING! What does that mean? How can I achieve it?

How do I even know what Understanding is? Is it all a paradox? Is there no true answer to all that you behold? What is it you wish to behold? What is there for you to understand?

“Knowing” might be a better word. But knowing what?  
*Just KNOWING.*

Deep within you, you *know* what is true. You *know* what is right for you. You *know* when you are in the stream of things. You *know* when you are following the right way.

There is no right way, except the path that is your own.

That path is God-given — given to you to follow, given to you to make the most of it. The path that you follow is of your choice and yet it is laid out before you in effervescent color, streaming from the Sun. The Rainbow of Life is the Rainbow of Light.

The Rainbow of Color becomes YOU. Do you not see? Do you not understand? Do you not know this Truth?

How far you have traveled! How much you have learned! How deeply you have known to follow the path before you! How deeply you see into that path and know it is yours to follow.

Follow the Rainbow Path and you shall *understand* and *know* how surely you are guided and how deeply you are loved. Follow that path that is before you. Do not be afraid. Wander no more in darkness but in the Light that precedes you. Follow!

There is Rapture at the end of the Rainbow Path. There is Joy and Delight and Happiness beyond your ken. Go forth! Follow that path that is set before you! Be not afraid! Step into the Love that surrounds you. Skip along in the Light that guides you. Dance! Dance in the Light, for the Light is yours. It belongs to you. For we are All One in the Light.

The Light is ours to enjoy. The Light precedes you. The Love surrounds you. The Gift is JOY!

Wander away no more. But see the Light ahead. The beam that you follow is your own. Make it what you will. Broaden its Light! Scatter it among all – one and all! *For no thing can put out that Light that is yours.*

The Light is Wisdom and Understanding. It is fully knowing who you are. Follow the Light! *Know* that it is you. You are the Light! Dance on! Sing with Joy! And be lifted up with Rapture! For we are ALL ONE and in that Oneness, there is Beauty and Joy forever! Listen! Hear my words! *Know – they are True.*

May peace and peace and peace be with you.  
So be it.

*I am White Eagle.*

Amen. Aum.

Bless you, my child, bless you.
