

Send Divine Light across the oceans --

I am White Eagle.

Send Divine Light across the oceans of the world and love and healing to every sentient being. Raise up their spirits. Open their minds and hearts. Help them to see beyond the veil that clouds their vision. Help them to see and know a higher reality – one that is beyond their current vision.

Lift up your hearts for Divine Love is upon you, is unceasing, never failing, always present. No harm will come to you.

There is no earthly travesty that cannot be overcome for the heavens are open to you. The true reality is there for all to see.

There is but one truth, one life, one love, one being, for we are all one.

Do not hesitate to know and test the truth for it is there for all to behold but you must open your eyes and ears, your hearts and minds and souls to know the real truth – the one great reality that binds us all in loving light and energy, for we are all divine and we are all one in the Divine. There is no separation.

Say this to all people. Proclaim the opening of the heavens to one and to all that all may see and know the truth of our being and rejoice in the great oneness that is all and will ever be all. Let no one fear to approach for all are welcome, all are one within this heavenly family for it cannot be otherwise.

There is One Truth and we are of the Truth. See the Truth, Know the Truth, Be the Truth. God is forever in you, forever with you, forever you. Take heart and go forth with loving hearts and minds and souls for this truth is in your hearts. There it is written. There you may find it. It is yours. It is God's blessing on you all.

So be it.
